

What went well?

What should we keep doing?
What should we celebrate?
Where did we make progress?

What went poorly?

Where did we have problems?
What was frustrating to us or others?
What held us back?

[Topic of the retrospective]

The location of your sweet shop business matters a lot. Try to keep your shop away from a place where there are already several stores available.

Products need to be profitable in order to create value in the business and creating value is the reason you have a business. True profitability is therefore vital to success

The location of your sweet shop business matters a lot. Try to keep your shop away from a place where there are already several stores available.

However, problems occur when you consume too much added sugar — that is, sugar that food manufacturers add to products to increase flavor or extend shelf life.

In the meantime, Ferrero said that "teams in our bakery have been working overtime" to ensure that initial Girl Scout cookie orders get fulfilled.

It is not that analysis of decisions shouldn't be done but it must be quick.

President of Montreal-based Splendid Chocolates offers optimism in light of the coronavirus pandemic.
